## Anonymous Internal Reporting

### Key Features Include:

- ▶ 24/7/365 Anonymous Hotline to reduce the risk of whistleblowers
- ▶ Employees are looking for a way to communicate their concerns without fear of retaliation. Help them speak up safely, and benefit from the honest feedback they provide.
- ▶ An effective compliance program includes an anonymous reporting mechanism that facilitates reporting of possible illegal, unethical, or improper conduct without fear of retaliation. Help employees speak up safely and benefit from honest feedback and the opportunity to intervene before a potential problem grows unmanageable.
- ▶ Posters and customizable wallet cards to instruct staff included
- ▶ Additional anonymous reporting via URL
