Panacea, *noun*: a solution or remedy for all difficulties

About Panacea

Led by a seasoned team of revenue cycle, clinical coding, and financial experts, Panacea’s mission is to support healthcare providers in overcoming the challenges they face in the mid-revenue cycle, ultimately improving the financial health of the organizations they serve.

We are experts in the entire continuum of healthcare pricing and revenue integrity.

We offer a range of technology and consulting services specializing in areas such as chargemaster, coding, and compliance utilized by 500+ healthcare providers. Our clients include hospitals, health systems, physician practices, ambulatory surgery centers, and ancillary care providers.
