

Comprehensive Healthcare Compliance Solutions

Education, resources and support in the areas of HIPAA, OSHA, human resources compliance and auditing.

First Healthcare Compliance provides a comprehensive compliance program management solution that saves significant time, money and resources.

A secure, cloud-based compliance solution.

Scalable, flexible and easily implemented solution to save money and time. Content streamlined into user-friendly “zones” to manage your ongoing compliance with OSHA, HIPAA, HITECH, and all other requirements

Comprehensive, flexible and customizable.

Experience the ease and efficiency of having your compliance needs all in one place. Weekly email reports inform you of your status and alerts for actions needed. Access to up-to-date online library of sample documents, policies and procedures, webinars, articles, whitepapers and more.

Cost-effective.

Available as a subscription plan based on the number of employees. We have three solutions available to select from based on your needs. The First Healthcare Compliance solution saves time, money and resources by effectively and efficiently addressing all your compliance program management needs, all in one place.

Live Support.

Our client service team ensures your practice’s successful implementation of the solution, and provides ongoing personalized toll-free live support.
