Introducing RevenueRx

Empowering Patients. Enhancing Care. Elevating Outcomes.

Panacea Healthcare Solutions proudly presents the RevenueRx - A transformative initiative designed to assist patients facing financial hardships in accessing vital brand-name medications administered in hospitals or infusion centers. Our program not only navigates the complex application process to pharmaceutical assistance programs but also manages the entire journey on behalf of patients and healthcare facilities, ensuring seamless support from approval to medication delivery.

Comprehensive Assistance Types

Free Drug Program
Medications are provided directly to hospitals by pharmaceutical companies at no cost to either the hospital or the patient.

Co-Pay Assistance
Pharmaceutical companies cover patients' out-of-pocket expenses—including co-pays, co-insurance, and deductibles—up to an annual limit. Payments are processed directly to patients' hospital accounts.

Foundation Assistance
Foundations cover patients' out-of-pocket expenses for prescribed drugs, similar to co-pay assistance, with payments directed to the hospital account.

Advanced Technology Integration
Utilize robust databases to monitor referrals, applications, approvals, drug orders, and co-payments.

Online portals for seamless collaboration with pharmacy staff.

Proactive Approach

Early Screening
Patients are evaluated as soon as they are scheduled and prescribed a treatment plan.

Increased Recoveries
Experience a threefold increase in recoveries compared to retrospective methods.

Compliance Assurance
Reduces the need for crediting and rebilling, ensuring billing compliance when free drugs are received.

Dedicated Support Team

Bilingual Representatives
Onsite staff to assist patients and coordinate with facility operations.

Experienced Management
Oversight by seasoned managers and executive leadership to ensure program success.

Customized Support
Tailored assistance based on facility size and patient volume.
