

Everything included. Nothing extra.

| Same trusted revenue integrity expertise. Completely reimagined experience.

Healthcare organizations face growing regulatory complexity with limited resources. ChargeAssist® delivers a comprehensive revenue integrity solution that simplifies CDM management, improves efficiency, and maximizes value.

Unlike vendors that charge separately for modules, users, and support, everything comes under one straightforward subscription — from day one.

All modules included — no add-ons, no hidden fees

- ✓ CDM Management & Maintenance
- ✓ CDM Audit Tools
- ✓ Charge Summary & Reporting
- ✓ CPT / HCPCS Research
- ✓ Device & Supply Lookups
- ✓ Pharmacy Lookups
- ✓ Regulatory Research
- ✓ Change Tracking & Requests
- ✓ Education & Training

Why organizations choose ChargeAssist®

- ✓ **Unlimited user access** — every department, no per-seat fees.
- ✓ **Industry-leading support** — real experts, not a help desk.
- ✓ **Fast implementation** — quick time-to-value, minimal IT burden.
- ✓ **Exclusive MedLearn savings** — preferred education pricing.
- ✓ **Exceptional value** — enterprise functionality, no enterprise price.
